

AULD LANG SYNE

CHORDS:

Should auld acquaintance be forgot,

And never brought to mind ?

Should auld acquaintance be forgot,

And auld lang syne ?

For auld lang syne, my dear

For auld lang syne,

We'll tak a cup o kindness yet,

For auld lang syne !

And there's a hand my trusty fiere,

And gie's a hand o thine

And we'll tak a right guid-willie waught,

For auld lang syne.

For auld lang syne, my dear

For auld lang syne,

We'll tak a cup o kindness yet,

For auld lang syne !
